STATEMENT OF OBJECTS AND REASONS

The Jammu and Kashmir Fiscal Responsibility and Budget Management (FRBM) Act, 2006 has been passed by State Government on August 9th, 2006 as per the recommendations of 12th Finance Commission and *inter alia*, provides for the responsibility of the Government to ensure prudence in fiscal management and fiscal stability by adopting progressive financial management practices consistent with fiscal sustainability, greater transparency in fiscal operation of the Government and conduct of fiscal policy in a medium term framework and for matters connected therewith or incidental thereto.

2. The Fiscal Responsibility and Budget Management (FRBM) Act, 2006 has been amended four times viz. Amendment Act, 2008 dated 17-12-2008, Amendment Act, 2010 dated 21-04-2010, Amendment Act, 2011 dated 13-04-2011 and Amendment Act, 2011 dated 18-10-2011.

3. The Hon'ble Finance Minister, while following the Budget Cabinet Decision, made an announcement in the Budget Speech 2015-16 and proposed a change in Fiscal Responsibility and Budget Management (FRBM) Act, 2006 from Financial Year 2015-16 to ensure that over the next three years, it is mandated that borrowings are used only to finance the creation of capital assets.

4. Keeping in view the Budget announcement made by the Hon'ble Finance Minister Section 7 (2) (ii) of The Jammu and Kashmir Fiscal Responsibility and Budget Management (FRBM) Act, 2006, which provide for the use of capital receipts including borrowings for generating productive assets, needs to be substituted by the following words :ô

the use of capital receipts for creation of productive assets and the borrowings over and above the existing fiscal deficit limit for the purpose of clearing past liabilities and/or creating fresh assets.

No. 43-1] The J&K Govt. Gazette, 25th Jan., 2018/5th Magha, 1939. 5
ô ô

5. Also in light of the recommendations of the Fourteenth Finance Commission, the State needs to amend its FRBM Act, 2006 to anchor the annual limits of fiscal deficit at 3 per cent of GSDP for 2015-16 to 2019-20 with a flexibility of 0.25 per cent over and above this limit for the same period.

6. Against this backdrop, the State Government has to incorporate the above amendments in the Jammu and Kashmir Fiscal Responsibility and Budget Management (FRBM) Act, 2006.

Hence the Bill.

FINANCIAL MEMORANDUM

The proposed Bill provides for a legal framework to regulate within the State of Jammu and Kashmir, the business of Fiscal Responsibility and Budget Management (FRBM) Act, 2006 so as to prevent from taking advantage of absence of any law governing the Fiscal Responsibility and Budget Management and protecting the interest of State as such. The Bill envisages the use of capital receipts for creation and/or maintenance of productive assets and the borrowings over and above existing fiscal deficit limit for the purpose of clearing past liabilities and/or creating of fresh assets with a bearing on Consolidated Fund of the State. The extent of financial implication in this regard cannot be calculated at this stage. However this is a money Bill.
